

40mm Satellite Speaker Ported Enclosure

Satellite speaker enclosed with a black ABS plastic enclosure

Part #: 31040216 Model #: 90316

Key Features

- Good low frequency extension emitter speaker
- compact ported MDF enclosure
- MFI 2-pin connector

Primary Specifications

Speaker System Type	Satellite speaker
Satellite Type	-
Digital Signal Processing	No
Audio Signal Input	Yes
Digital Input S/PDIF	No

Additional Specifications

Applications	Arcade Gaming, Casino Gaming, Drive-Thru / Kiosk, Indoor
RoHS Compliant	Yes (RoHS3)
Audio System Description	Satellite speaker
Audio System - Number of	N/A
System Frequency Response (Hz)	107 Hz - 18,800 Hz
System Maximum Output (dB)	82dB
Satellite Impedance	4Ω
Enclosure Style	Ported
Size, Enclosure HxWxL (mm)	105 x 46 x 50
Continuous Power	2W
Resonant Frequency	127 Hz
DC Resistance	4.3Ω
Magnet Material	Neodymium
Net Weight	.088 Kg
